

With the support of the Town of Oyster Bay, we will be erecting a Monument honoring all Baymen.

The Monument will be located in the T.R. Memorial Park just east of the boat slips.

The Baymens Heritage Association, Inc. aims to educate and preserve the shell-fishing history, conserve and protect our current environment, educate, and promote this tradition to future generations.

The Monument will be surrounded by a brick walkway.

The bricks will be engraved with the names of our supporters of the Brick Campaign. We welcome your to become a part of history by providing a donation to name a brick.

BAYMENS HERITAGE ASSOCIATION, INC.

Commemorative Brick Campaign

*Honor a family member

*Recognize a special occasion

*Promote your organization with a Commemorative Brick
